Dear Phil

Little Dunmow St.Mary the Virgin New Kitchen and Storage Area Project

The above unit has now been in use for over a month and the PCC and congregation are delighted. Both the quality of the workmanship and the design is first class and I pass to you the PCC's appreciation for your work.

For your information I enclose a copy of my report to the APCM on the 25 April which speaks for itself.

Very best wishes..

Yours sincerely,

E.P.A. Bryant
