Mildmay Almshouses

Dear *Phil*

As we come to the end of the main phase of the work at the Almshouses, I wanted to take this opportunity to say how impressed I have been with the way in which you have worked and, in particular, the sensitive way in which Bob, Keiran and Alan have dealt with the residents.

The work necessarily involved some disruption for the residents but Bob and his team have gone about this in a tactful and helpful way. The residents have told me how much they have appreciated the kindness and concern shown by all your team.

Having viewed the work when I visited the Almshouses a week or so ago, they certainly do look much smarter.

Yours sincerely

Kathleen Foreman
